

POLICY: Playing Time Policy

SUBJECT: Playing Time

PURPOSE: Establish a policy which is to be followed a players playing time.

PREPARED BY: TCSA Board of Directors

EFFECTIVE DATE: January 1, 2010

APPLICABILITY: This policy pertains to all TCSA players, coaches, trainers, and TCSA player family members

INTRODUCTION

This policy was written to ensure that **all** parties understand TCSA's expectations regarding a travel players playing time.

POLICY REQUIREMENTS

TCSA strongly believes that a players playing time is "earned" when on a travel team. It is up to coach of the team to set their expectations and philosophy of how a player "earns" their playing time.

TCSA strongly encourages before the start of each season, the coach should hold an open meeting with the parents to discuss their expectations and philosophy regarding playing time.

If an issue should arise during the season regarding playing time, the parents and coaches should refer to the "Dispute Policy" for the proper procedures to follow when resolving the dispute.
